

Shoes Worth \$100 Pair, Sugar Sells for \$12 Pound, Writer Learns in Soviet Tour

EDITOR'S NOTE: The following dispatch is based on a 4,000 mile unguided, unaccompanied trip through the Soviet Union by an experienced editor and writer. Unusual facilities for talking to the Russian workers and farmers in their factories and homes and on their collective farms were obtained by the writer when he called Stalin after six months of efforts through regular channels to have him get him a passport visa to Russia.

By JOHN STROHM
(World Copyright, 1946, by NEA. Reproduction in whole or part prohibited.)

When I returned to Moscow after my 4,000-mile travels, a correspondent created me at breakfast in the Hotel Metropol with the remark: "Well, I see where 'Tass' (the Russian news agency) used your name this morning to answer President Truman."

He showed me the story in the newspaper Pravda. Headlined "Tass Explanation," it committed the President's statement that correspondents could not travel freely in Russia.

The "explanation" was, in effect: "Mr. Truman doesn't know what he's talking about."

Whether the men in the Kremlin also are here to do something or something no answer, free or restricted, can answer. I have told you that I have seen and heard and pictured only what was before my eyes.

Whether the men in the Kremlin also are here to do something or something no answer, free or restricted, can answer. I have told you that I have seen and heard and pictured only what was before my eyes.

S. Red Party Hit In Report

WASHINGTON, Oct. 10 (AP)—The United States Chamber of Commerce demanded today that Congress strip the lid of the communist party to end its power and influence in labor ranks and within the government itself.

Declaring that communists still are operating under an international communist front world-wide, the organization added that because the party "thrives upon deceit" and is loyal to "hostile foreign power, it should be 'forced by law' to reveal its membership, sources of money and all its activities."

The chamber's lengthy report, based on a year-long investigation by a special committee on socialism and communism, asserted that communists have succeeded in driving "many faithful public servants from the government."

It declared, too, that red infiltration into the government has been particularly marked in both the treasury and war departments. A treasury spokesman quickly refuted that the department "naturally has no comment on the general statement."

However, Secretary of Labor Samuel Hays said that charges of subversive activity had been brought by the FBI against a number of government employees, and that an investigation has been underway for several days. Five cases, however, have been studied and no others are set for inquiry.

Beef Men Promise Meat if Controls Scrapped at Once

WASHINGTON, Oct. 10 (AP)—The beef industry coupled a demand for immediate scrapping of price controls today with a promise of ample supplies of meat "very soon"—possibly before November's congressional elections—if the administration acts. R. G. Haynie, chairman of the OPA beef industry advisory committee, which petitioned for decontrol, told reporters there are plenty of cattle and calves ready for market as soon as price ceilings are lifted.

The White House, scene of a special round of top-level conferences on the situation last night, remained silent.

"I make no forecast myself," said Press Secretary Charles G. Ross when reporters asked him what might happen.

President Truman was to see reporters this afternoon. The beef industry's decontrol petition, filed with Secretary of Agriculture Anderson, took sharp issue with the President's contention that there was a heavy slaughter of meat during July and August, when controls were temporarily off.

"Apparently the circumstances have been such that the beef industry has been forced to move to market, were slaughtered and the meat sold through normal channels and legitimate channels," the petition said. "Many months of price ceilings have been in effect, and the industry has been forced to move to market, were slaughtered and the meat sold through normal channels and legitimate channels."

The petition argued that the industry has been forced to move to market, were slaughtered and the meat sold through normal channels and legitimate channels.

Only Six Towns Meet Standards for Water

Only six Magic Valley communities have water supplies conforming to Idaho drinking water standards, Dr. G. T. Parkinson, director of the south central Idaho health unit, said Thursday.

Charles E. Patton, sanitarian at the health unit, pointed out that several other communities have water good enough to meet the standards but have not conformed to the strict state regulations regarding sending in samples for bacteriological and chemical analysis.

Patton said that several other communities have water good enough to meet the standards but have not conformed to the strict state regulations regarding sending in samples for bacteriological and chemical analysis.

Board Denies Clemency for Nazi Leaders

HELENS, Oct. 10 (AP)—The allied control council specifically rejected the clemency appeals it received from the Nazi war criminals, sealing their fate for execution on the gallows next Wednesday.

In a blanket rejection of the appeals, the council announced on behalf of 11 Nazi leaders sentenced to death and refused to reduce prison terms of five others.

The four-power council was the last review of the Nazis convicted at Nuremberg. Thus the refusal of the council to grant clemency was a final blow to the war criminals for any reduction of sentence.

Ban Lifted on Plane Flights Over Nations

LONDON, Oct. 10 (AP)—U. S. headquarters in Europe today lifted a ban on American planes flying over Czechoslovakia, Hungary, and Poland, but continued suspension of flights over Rumania.

The ban on flights over the three countries, all in the Russian sphere of influence, was lifted down suddenly and without explanation yesterday by U. S. authorities.

Rural Region Expansion of Power Booms

By WILLIAM E. LOWELL
WASHINGTON, Oct. 10 (AP)—Since the German surrender, the federal government, through the rural electrification administration, has loaned more than \$7,000,000 to extend electric power facilities into western farm and ranch areas. These funds are expected to finance construction of 17,000 miles of transmission line to serve 35,000 rural customers as fast as materials can be obtained.

Despite the materials shortages, REA borrowers in the 11 western states provided service to almost 11,000 new customers during 1945. The western area, including Oregon, Washington, California, Colorado, Wyoming, Montana, Nevada, Utah, Idaho, New Mexico and Arizona, where an estimated 100,000 farms and at least that many non-farm homes and other rural establishments are without electricity, is regarded by REA as one of the most fertile fields for new highline construction.

An important factor in the development of new electric service is a prospective increase in use of electricity for farm products in the west. Reports of the 1945 farm census, now being issued, show a 10 per cent increase since the 1940 census in the number of western farms with electricity.

The increase nationally, however, was about 40 per cent.

Scout Committee Meets in Oakley

OAKLEY, Oct. 10—A nominating committee was appointed by Chairman Lloyd Smith at a meeting of the Oakley Scout Council held here recently. Appointed were S. D. Crane, chairman; Harold Hale and W. B. Thompson.

A new Explorer post is being organized, it was announced. The fall Scout roundup program and district rally to be held in December were discussed by Thompson.

There are 10 boys in the district who wish to become Boy Scouts. It was announced from results of a recent survey. Names of these boys were given to troop representatives who will contact the prospective Scouts.

ANNIVERSARY SERMON SHOSHONE

OCT. 10—The Rev. and Mrs. Walter G. Smith, Golden, Wash., were here recently. The Rev. Mr. Smith, a former Shoshone minister, delivered the 50th anniversary sermon at the Baptist church here.

Mineral extractive and processing industries employ about 650,000 productive workers in Pennsylvania.

Farmer Better Off Now Than Ever Before, Says Leguineche

(From Page One)
The Republican or the Democrat to spend any money. They're going to give publicity first to the Republicans and not let the Democrats spend any money either.

No other weekly or daily newspaper in the state of Idaho as far as I know is using the paper shortage as an excuse for refusing political advertising. I find it peculiar that the Times-News is forced to do it. (Editor's note: See editorial on page four today.)

"There has been some criticism of the Democrats using handbills in the Twin Falls area. The Times-News makes them necessary. In the future we will have to get out handbills to advertise our meetings. For Wednesday's meeting, the Times-News had a three-inch item on page four."

Allison Presides
Kermit Allison, Filer, Young Democratic chairman, presided. The rally was arranged by Lee Leichter, county chairman.

Attendees were Russell C. Larson, Kimbrey, candidate for state senator; Hans C. Andersen, Murphysburg, and Frank L. Atkins, Bluff, candidates for county commissioner from the third and first districts respectively; Asher B. Wilson, member of the board of regents; Glenn Vining, Jerome county chairman; Mrs. Leon Aslett, district coordinator.

1,500 Head of Cattle Sold at Auction Here

A heavy run of 1,500 head of cattle was sold at Wednesday afternoon's Twin Falls Commission company auction. President Tom Calton presided.

Steers, fat heifers and steer calves were steady. Fat cows and feeder heifers weaker than last week. Sale prices ranged as follows:

Fat steers, \$16.50 to \$17.20; feeder steers, \$13.50 to \$17; cowboys, \$12.50 to \$13.80; good cows, \$11.20 to \$12.25; feeder cows, \$8.50 to \$11.00; common cows, \$5 to \$11; fat heifers, \$15 to \$16.10; feeder heifers, \$13.20 to \$14.70; bulls, \$9 to \$13.10; and veal calves, \$11 to \$16.20.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste
Three hours of excess acid in your blood, 15 miles of kidney tubes may be overworked. Therefore, it is important to keep your kidneys in good working order day and night to help Nature rid your system of excess acids and poisonous waste.

When diseased kidney function permits, poisonous matter is removed from your blood, it migrates through the kidneys, through the bladder, out of your body, getting up, night, swelling, puffing out the eyes, headaches and dizziness. Tremor or numbness with smarting and burning sensations shows that something is wrong with your kidneys or bladder.

Kidneys may need help the same as a house, so ask your doctor for Dr. Smith's, a stimulant diuretic and excretory by millions for over 40 years. Dr. Smith's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Don't lose a penny.

Melody Maids at Gooding's Series

GOODING, Oct. 10—Appearing in the first of a series of entertainments for the fall and winter months in Gooding were the Melody Maids, Helen Sorenson, Norma Lee Madson, Sally Ann Peck, Lennox Adamson and Patsy Judd.

The Salt Lake City artists played here in the high school auditorium before an unusually large assembly of music lovers.

The entertainment series is sponsored by the Gooding Business and Professional Women's club whose president is Mrs. Helen L. Smith.

Patrons Listed
Patrons are Dr. and Mrs. J. H. Cromwell, Mr. and Mrs. Burton Briggs, Mr. and Mrs. J. E. Farmer, Mr. and Mrs. M. H. Metz, Mrs. Mabel Peringer, Dr. and Mrs. E. S. Robinson, Mrs. Helen L. Smith, Mrs. Myrtle Turner, Mr. and Mrs. Martin Wiswell and Mr. and Mrs. Harvey Wood.

Next number on the series will be Saturday evening, Oct. 26, when Mary Hutchinson, dramatic reader of New York City, will appear.

A reception for the talented young artists was given at the home of Edna Robinson following the program.

Jerome Discharges

JEROME, Oct. 10—Ten veterans have recorded discharges here. They are Nepti A. Dondias, Jr., William C. Campbell, William P. Huff, George B. Farnsworth, Lloyd Larson, James Hansen, Arthur Crane, Hazel Barnes, Cecil Duncan and Oliver Harris.

Puerto Rico is the smallest of the Greater Antilles.

County Identifies 3 Strange Weeds

Strange weeds found along county roadsides this week have been identified as tulle, a plant which grows as much as six feet tall in wet ditches often clogging roadside borrow-pits, bitter nightshade and has-ha by John N. Grimes, county noxious weed bureau chief.

John Heck, Twin Falls, brought in the stalk of tulle and T. A. Hagdorn, Bluff, reported the latter two plants. Both the nightshade, which has distinctly poisonous berries, and the grey are plants with affinities for sandy soil.

Has-ha dry is often found along the shoulder on roads.

NERVES IN PHILIPPINES

FILER, Oct. 10—Pvt. Carl Whittle now is stationed at Clark field, P. I., where he is a cryptanalyst, according to information received here.

Dreft gets Dishes so Clean they SHINE

—even without wiping!

Why can't I do that?

4-year old Susie, daughter of Beverly Hills' famed "model" mother, Mary Brewer, Susie would like to follow in her mother's toedancing steps as faithfully as she already follows the dental beauty routine that gets so much credit for her mother's glorious smile: Regular brushing with Ipana followed by gentle gum massage. This helps keep gums firmer... teeth brighter... smiles more sparkling. Ask your dentist about massage for your gums. A nationwide survey shows that 7 out of 10 dentists recommend massage. Get started toward a "model" smile yourself... with Ipana Tooth Paste.

MAGIC with Sperry Pancake & Waffle Flour

CAN YOU DO SPIRIT WRITING?
Don't know about writing—but any spirit will perk up considerably if confronted with a stack of fragrant, sour cream buttermilk hotcakes. And if a spirit could write—it would probably give you the high sign to ask friend, grocer for a package of Sperry Pancake and Waffle Flour, 'cause there's country-churned buttermilk right in the Sperry Mix. For the spirit's communication secret—see #1 in the Answer Box.

CAN YOU GET THE BRACELET OFF WITHOUT UNTYING THE ROPE?

Being double jointed won't help—any more than being double or triple jointed would help you make pancakes in five minutes by the old-fashioned cookbook method. You need Sperry Pancake and Waffle Flour for that, with its 7 specialized ingredients ready-mixed and blended. All you do is add liquid and bake. For what you need in the bracelet trick, see #2 below.

KITCHEN MAGIC FOR EVERYONE

No kitchen magician is ever at a loss with a package of Sperry Pancake and Waffle Flour on hand. Hotcakes, waffles, muffins, dumplings or coffee cake at a moment's notice—see easy recipes on every box.

SPERRY'S MAGIC ANSWER BOX

1. Prepare yourself ahead of time by shaving a sliver of soap down to a sharp point and writing the desired words on your arm. By dusting arm with cigarette ashes and rubbing lightly, writing will appear as if by magic.
2. String bracelet on a four-foot rope and tie ends loosely around each wrist. To get the bracelet off, slip it back over one hand, right over the rope encircling the wrist. Then pass bracelet underneath rope and off hand. Even more mystifying if you do it behind your back!

SPERRY

MAKES MUFFINS, COFFEE CAKE, DUMPLINGS, TOO!

PANCAKE & WAFFLE FLOUR

YOUR COOKING SUFFICIENCY

ARRIVES IN GERMANY
HAILEY, Oct. 10—Mrs. Clara Walker has received word that her son, Lieut. John Walker, has arrived in Germany with the military staff of the occupation forces. When he finds living accommodations, his wife, the former Phyllis Bennett, will join him.

You can relieve poison ivy with a paste made from witch hazel and bicarbonate of soda, applied two or three times a day.

Dreft gets Dishes so Clean they SHINE

—even without wiping!

SWOOSH!
5 times more suds than soap in hardest water! IT'S A FACT! Dreft is the first suds in history to give abundant suds in water hard as nails!

LOOK! Glasses sparkle like diamonds—even without wiping!

AMAZING BUT TRUE! Dreft is different from any soap or soap flakes you ever used. Dreft suds rinse clean—leave no greasy streaks the way all soaps do.

GOLLY! Dreft cuts grease like magic...it seems to melt away!

YOU'LL MARVEL! Until Dreft came along no suds in the world could get rid of dishpan grease this amazing way—with no sticky soap film left behind!

WOMEN EVERYWHERE KNOW DREFT IS MILDER!
Millions of women know Dreft suds are milder to colors than any soap or soap flakes. Famous for kindness to delicate lingerie, Dreft is—

KIND TO YOUR HANDS!
Now try Dreft in your dishpan. See your dishes come so clean they shine—even without wiping. Got Dreft tomorrow!

DREFT gets Dishes so Clean they SHINE—even without wiping!

U. N. Military Staff Reports Little Action

NEW YORK, Oct. 10 (AP)—Despite a break in its six-month stalemate through Russia finally submitting a proposal, the United Nations military staff committee actually has made little progress in its narrative and politically-potent task of setting up an international force to guard the peace of the world.

The United States, Great Britain, China and France, the other four members of the U. N.'s most secret organ, has April offered recommendations on the basic principles which should govern the organization of such a force. These proposals were described in the last quarters as carefully-worded working papers with no country committing itself to anything approaching a definite plan.

In this connection the Russian proposal was said to be mainly a series of questions regarding charter provisions for the force.

Source considered highly reliable have agreed that even the most elementary issues have yet to be decided and that it might take months or even years to work out a plan acceptable to all the powers.

State Secretary Guest of Grange

HANSEN, Oct. 10—State Grange Secretary P. G. Kelson was a guest at the booster night meeting of the Hansen Grange recently. Fifty guests attended.

Kelson's visit was the address of welcome and the Rev. J. J. Sumner, the pastor of the St. Helen Methodist church, presided.

The program, under the direction of Mrs. Bernice Simmons, included piano solo by Dorothy Whelan; reading, Irvin Kevan; vocal solo, Lois Ann Simmons; skit, Mrs. and Mrs. Earl Barnes; piano solo, Bula Joy Pratt.

A patriotic program was presented by Dorothy Whelan, Junita Simmons, and the Grange.

NOTICE OF BOND ELECTION

NOTICE is hereby given to the qualified electors of Twin Falls County, Idaho, that pursuant to a resolution adopted by the Board of County Commissioners of Twin Falls County, on the 7th day of October, 1946, declaring the intention of said Board to bond said County in the amount of \$1,250,000, to provide for the extension and enlargement of existing hospital, hospital grounds, nurse homes, or any other necessary buildings and equipment, and to be due and payable on an amortization plan as provided by the Municipal Bond Law of Idaho, the first annual principal payment shall be payable at the expiration of two years from and after the date of issue, and the last annual payment of principal shall be at the expiration of fifteen years from the date of issue. The various annual maturities shall be as nearly as practicable in such principal amounts as will, together with the accruing interest on all outstanding bonds of said issue, be met and paid by an equal annual tax levy during the term for which the bonds are issued, and to be payable as to both principal and interest from the levy of taxes upon all taxable property in said County.

For said special bond election said Board of Twin Falls County has divided into the following election precincts with the following designated polling places and the election officials appointed therefor are as follows:

Twin Falls Precinct No. 1—Odd Fellows Hall, 225 2nd Ave. East—Mrs. Hazel McNett, Judge; Mrs. Emma Kuts, Judge; Mrs. Carl Hoffmeyer, Judge.

Twin Falls Precinct No. 2—County Court House—Mrs. Henry Hulse, Judge; P. C. Dawson, Judge; Mrs. O. C. Hall, Clerk.

Hogerson Precinct—School House—Ora D. Hedeley, Judge; Paul Schell, Judge; Gladys H. Steenson, Clerk; and said proposition, above mentioned, will be submitted to the qualified electors of said County to be voted upon by them at the polling places fixed for said special election, which are the same as those for the general election, in all respects as provided by law.

The qualifications for voters at said election shall be those prescribed by the laws of Idaho for County Hospital Bond Election.

Polls for said election shall be opened at the hour of 8 o'clock A. M. and must continue until 7 o'clock in the evening of the same day, as provided by law.

Notice is hereby given that by authority of the Board of County Commissioners of Twin Falls County, Idaho, this 11th day of October, 1946.

E. V. MOLLANDER, Chairman, Board of County Commissioners.

C. A. BUTLER, County Auditor, Ex-Officio Clerk, Board of County Commissioners.

(SEAL) Section 5. Said proposition of issuing said bonds for the purpose hereinbefore mentioned shall be submitted to the qualified electors of Twin Falls County by ballot which shall comply in all respects with the requirements of law and shall be substantially the following form:

(Instructions to Voters)

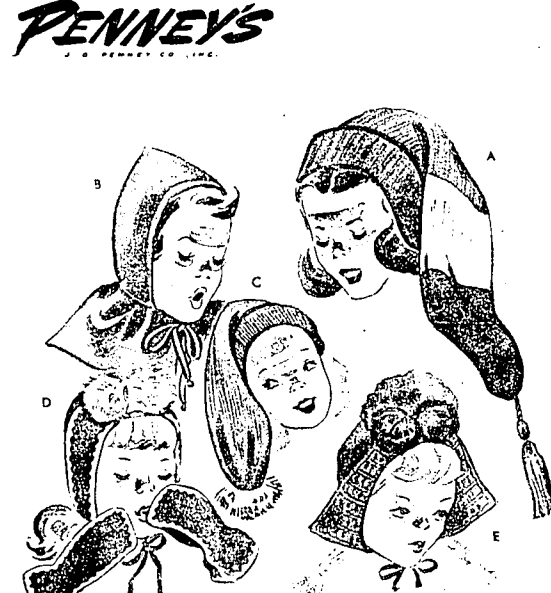

If the voter desires to vote for the issue of bonds, he shall mark a cross (X) in the square to the right of the words "Bond." If he desires to vote against the issue, he shall mark a cross (X) in the square to the right of the words "No Bond."

I, "Shall the Board of County Commissioners of Twin Falls County, Idaho, be authorized to issue and sell \$1,250,000 principal amount of negotiable coupon bonds of said County for the extension and enlargement of existing hospital, hospital grounds, nurse homes or any other necessary buildings and equipment, said bonds to bear interest at a rate not exceeding three per cent (3%) per annum, and to be due and payable on an amortization plan as provided by the Municipal Bond Law of Idaho. The first annual principal payment shall be payable at the expiration of two years from and after the date of issue, and the last annual payment of principal shall be at the expiration of fifteen years from the date of issue. The various annual maturities shall be as nearly as practicable in such principal amounts as will, together with the accruing interest on all outstanding bonds of said issue, be met and paid by an equal annual tax levy during the term for which the bonds are issued, and to be payable as to both principal and interest from the levy of taxes upon all taxable property in said County."

Cowboy Stars to Play With Wells-Formed Cage Five

The baseball season in the Magic Valley has been relegated to the pages of history but that doesn't mean that some of the cowboy stars have stepped out of the sport's picture.

At least three of them promise to be quite prominent in Magic Valley athletics. They are called Duddy Heclet, the Pioneer league's home run and runs-batted-in champion; Hal Lowe, the league's all-star game shortstop who has been named in Kansas City for \$1000 by President Murrey Dyer; and Bill Wickert, former utility player who is now the cowboy business manager.

The trio will be members of a

strong "outlaw" basketball team that John and Russ Wells are forming in the Magic Valley.

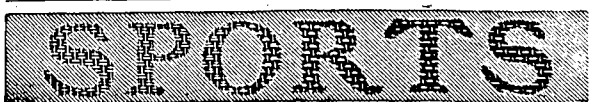

Heclet played three seasons with the Seamon high school team, Thruke, and in two of those he was the quintet's leading scorer and in one the team won the state

championship. In the navy, Duddy played with a strong quintet that hoisted a number of college crests.

Lowe played basketball with Brunswick, Neb. high school and was considered one of the best players in that part of the state. He also played in the service.

Wickert, a California high school star, was good enough to play with the service team at Harvard university.

Both Wells have already been purchased for the team. The name of the sponsor will be announced within a few days.

Bruins to Unleash Air Game Against Husky Cougar Line

Quick opening plays—the feature of Coach Hank Powers' "T" game—which have paved the route for four straight Bruin victories—may have to give way to wide open football if the Big Six conference pacemakers hope to triumph over the Couglers Tigers when they appear at Lincoln field Friday night. The Cougar line, the heaviest in the Big Six, may be just too powerful to be pushed around.

The strong Kaimuki Bulldogs was the other way around—the visitors had to take to the air to gain the ground to make headway.

However, Powers believes his lads will be equal to the demand. In quartersbacks Dale Lincoln and Bobby Long and left halfback Byron Snyder, Powers has three excellent passers, while all his ends, Gene Caldwell, Everett Livingston and Hubert Hendrix are good receivers.

The Bruins will take the field minus their regular right halfback, Gus Blaser, who was second only to fullback King Block in ground-gaining in the Pocatello game until he was hurt. The injury, a sore right ankle, has not responded to treatment and he will be out of the lineup for at least another week. His duties will be divided between Phil Burkhardt and Henry Gaudin.

Also missing will be Russell, a tackle, but Powers is amply supplied with linemen.

The game will get under way at 8 p. m.

Friday's Games

BIG SIX

Illegal Elk Hunters Pay \$50, \$25 Fines

Unlawful possession of elk rescinded Wednesday in a fine of \$50 and \$25 costs for Herschel Hovatt and a fine of \$25 to \$50 costs for Chas. Moline, who appeared before Probate Judge S. T. Hamilton. Hovatt's offense occurred Sept. 27 on the Mindoka national forest.

To Close

The Twin Falls golf season will come to an end officially Sunday. Coursemaster Fred Stinson at that time will close the clubhouse and for that reason asks the club members to remove their clubs and shoes.

However, the course is still in excellent shape and will be open.

revenue, an area closed for taking elk according to information filed by O. C. Davis, conservation officer.

Maine's offense involved a cat elk, according to information filed by P. J. McDermott, Jr., chief conservation officer.

The kiwi is the emblem animal of New Zealand.

They Will Be Among 30 Major Leaguers Here Tonight

Vernon Stephens

A total of 30 major leaguers, the largest number ever to get together for a game outside of the American and National league parks, will be seen in action at Jaycee park tonight. They are from 12 American and National league teams.

Thorpe Gains Jerome Golf Tourney Title

JEROME, Oct. 10.—S. L. Thorpe is the new Jerome golf champion. Thorpe defeated Dr. Phillips, 5 and 3, in the final match of the championship match of the annual city tournament at the Jerome country club.

Ray Kincaid won from Bert Hill to gain the president's flight title, while Frank Avery triumphed over Murray O'Rourke to take the second flight crown.

Willard Wood was the medalist. Bill Moorman and Glen Healy will meet this week for the first championship.

Rutherford Pin Team Defeated After 12 Wins

The Rutherford Pinners, who travel all the way from Jerome every Wednesday night to compete in the Rutherford's Minor league, lost their first game after a month of bowling in the new season last night but came through with a 3-1 triumph over the Checker Club.

The defeat, which came in the first game of the evening, dropped the Rutherford into a 1-1 tie for the league leadership with the Rogers, who won all of their games. A 2-0 game by Del Lawrence was the night's feature.

ALL-STAR TILT TONIGHT

30 Big League Players to Be Seen in Action

BOSTON, Oct. 10.—"It was a half speed curve ball I threw to Rudy York," said little Murrey Dickson as he came into the Cardinal dressing room after losing the third world series game.

"But I was far from ready when I took the mound," he added. "There wasn't room enough for me to wind up with the photographers running back and forth just before the game. I couldn't throw because I was afraid of hitting them."

"After that first inning Dickson didn't pitch," said Dave Ferriss, pitcher for the Yankees.

As usual there was a little confusion about the 3 and 2 pitch Dickson threw to York.

Dyer said Dickson eased up on the pitch. Dickson said he positively didn't.

From the press box the ball seemed to be in the heart of the heart of the plate.

A walk to York would have tied the game with two out. Ferriss, however, Dyer, who followed York, fanned on four pitched balls to end the inning.

York Homer, Ferriss' Hurling Defeat Cards

By GALE TALBOT

FENWAY PARK, Boston, Oct. 10.—An April Wednesday later Rudy York had his 210 career home runs and sent it soaring beyond the vision, and against the pride of Carterville, Ill., broke the hearts of the hard-fighting Cardinals.

Rudy's second mighty four-bagger of the world series, delivered in the first inning with Johnny Pesky and Ted Williams on base, provided the winning runs as the Red Sox boomed to a 4 to 0 victory in their can-canway park and took a 2-1 lead in the big playoff.

With the Dave Ferriss, Boston right-hander, choking the Cards off with six hits and seven runs and not permitting a batter to reach third until the last inning, it was of little or no importance that the American leaguers showed across another unearned run in the eighth inning.

It was Rudy's clutch off right-hander Murrey Dickson that did the work. With two out and the count on him three balls and two strikes, the veteran first baseman caught a low pitch on the bat and sent it almost on a line drive over the field ball.

The only time that Ferriss was ever threatened with a score was in the fifth, when, with two down, Stan Musial attacked a line triple against the bullpen in right field.

Ferriss bore down and sent the dangerous Ed Slaughter to close out the game and send a crowd of 34,000 home happy.

The game otherwise was notable for the fact that Ted Williams finally laid down a perfect bunt against the "overbalanced" infield defense with which the Cards had plagued him in the first two games, and that second baseman Bobby Doerr, the Sox did not score a record by handling eight outs.

Every cloud has a silver lining. That's the discovery Earl Tootle, the Burley youth who pitched for the American association champion, dropped the Louisville Colonels, during the past season and did a fine job of it despite a back injury that said him low last after he had registered a number of victories.

The cloud settled over the season world when the Colonels lost the "little world series" to a packed Boston—sparked Manchester team from the International league.

But he found the silver in it when Dave Ferriss blanked the St. Louis Cardinals on six hits Wednesday and gave the Boston Red Sox, with whom Earl may find himself next season, a one-game advantage in the world series.

You see, Dave and Earl were roommates and buddies when both were Piedmont league hurlers before the war. Both went into the service but Dave got out nearly two years earlier than Earl—just when all the majors were grabbing everyone that looked like a pitcher—and for that reason he received the break that might have gone to Earl.

When Tootle came back he was freed into competition with many other stars and naturally the going was a lot rougher in the minor leagues.

And here's some stuff that Y. O. Scribe Scrivener has learned that will be interesting to the Magic Valley fans: Earl was considered a better pitcher than Ferriss during their Piedmont league days.

AND THAT'S THAT FOR NOW.

Here's some information that will gladden the hearts of Twin Falls' favorite young ladies: Jimmy Arnold, the Cowboy top hurler, is coming back to winter in Twin Falls. And, too, that opinion for the turner on his back may not be necessary, a first may do the job.

Carey End Bids For Vandal Post

MOSCOW, Oct. 10.—Steve Belko, former Idaho star athlete and newly-appointed junior varsity coach, is readying the Vandal javelin eleven for its opening game with Washington state college juniors in Moscow, Oct. 18.

Among the leading members are Jud Paris, Jerome, halfback and speedy ball carrier; Don Underkofler, Boise, quarterback and leading play selector; Bob Irvine, Rupert,
